Meetings

We meet every Thursday night
Program 6:30-8:45 pm

Large group at 6:30 includes worship, teaching on
Celebrate Recovery principles, live and video testimonies.
Sharing groups at 7:45 are separated for men and women to
find support for their issues. It is a safe environment.
Fellowship time follows the sharing groups.

The current sharing groups are as follows...

Men's Groups – One group focuses on relational issues such as anger, codependency, control, depression, etc. The other is for addiction issues such as alcohol, drugs, food, gambling, pornography, and so on.

Women's Groups – One group deals with relational issues such as abuse recovery, codependency, depression, self-harm, mood disorders, and so on. The other is for addictions such as substance abuse, sexual obsessions and compulsions, eating disorders, etc.
Please join us and talk to our board members about your nonprofit organization at the Kenosha Community Media Board of Directors Meeting on Tuesday, November 15, 2016 at 5:45pm. at the Kenosha Municipal Building 625 52nd St., Kenosha

The KCM board would like to hear a little about your nonprofit organization, so that together, we can begin to consider ways that your organization and Kenosha Community Media might collaborate for the benefit of both.

We meet in either Room 301, 204, or 202. Please RSVP by about a week before the meeting, so that your visit can be noted on our agenda, as well as so that you can be informed of the correct room number.

Carole Moresi at cmorenews@gmail.com or to John Bloner at john@kenoshamedia.org

NOTE: If you can’t make it in November, please RSVP to attend one of our future meetings, on Tuesday, Dec. 20, 2016, Jan. 17, Feb. 21, 2017 or on the third Tuesday of a later month.
