

I Need Help

STEP 1: In An EMERGENCY CALL 911

An emergency is any situation that requires immediate assistance from the police, fire department or ambulance. Ask for assistance from CIT trained professionals.

STEP 2: Call Crisis Intervention (262) 657-7188 OR 1-800-236-7188

...if your situation does not require 911 emergency assistance. Crisis counselors at Kenosha Human Development Services (KHDS) will be able to help you determine the steps you need to take in addition to working with authorities in the event of an emergency.
