How to engage in our IOP

Most up-to-date times.

Please call the clinic or visit our website to get the current times for sessions. Wednesdays and Thursdays for 2 hours per session. Support groups meet on the third Thursday of each month. West Drive Clinic currently offers Morning, Afternoon, and Evening groups to meet the schedules of our patients. All IOP patients meet the schedules of our West Drive Clinic. This program provides Substance use focused Intensive Outpatient Program (IOP). This program provides treatment for those in recovery. We have multiple teaching, effective coping skills.

Mental Health Support

Struggling with opiate use?

We also have providers who are skilled in the use of methadone and opiate use.

We offer a substance use focused Intensive Outpatient Program (IOP). This program provides treatment for those in recovery. We have multiple teaching, effective coping skills.

West Drive Clinic offers individual counseling for mental health and substance use related concerns.
